

TERMS FOR LEAVER HOODY SUPPLY

We try to keep things as simple as possible, but there are some conditions of supply that we need you to be aware of before you place your order:

Our standard Terms and Conditions of Trading apply to all orders received and should be viewed on our website in addition to the specific terms below.

- 1. Prices quoted are for orders of 20 hoodies or more. The cost of artwork, logo creation and print or embroidery origination is included and no extra is charged for these services**
- 2. Orders of less than 20 hoodies will incur origination charges as specified above. These additional costs can be quoted for on sight of your design(s)**
- 3. Due to the method of the printing on leaver hoodies we need to send all garments to production at the same time. Therefore, if a deadline for ordering is quoted and the order has been closed, no additions can be accepted after that date.**
- 4. You will receive artwork and visuals to approve during the preparation of your order. We will only go to production with such approval. If there is a delay in you responding to our request for approval, this may delay the completion and delivery of your garments**
- 5. Please check all artwork very carefully as, once approved, and printed/embroidered onto the garment it cannot be changed.**
- 6. If you are using the names of pupils within the print design we rely on you to obtain all necessary permissions and to have complied with GDPR regulations when providing such names to us**
- 7. GDPR regulations state that we cannot divulge to you the names of the customers that have ordered with us (if you are using our online purchasing option). We can provide you with the number of orders received but not the detail of those orders. If you need to check who within your organisation has or has not placed an order with us, you will need to use your own resources to ascertain the position**
